Drive In Drive Out

Dave Matthews Band

I hear more than I'd like to
So I boil my head in a sense of humor
Laugh at what I cannot change
And I throw it all on the pyre again
Go then and do this, I'd do it for you
When all that I want is so badly to be by myself again
It's going to drive me right out of my brain
Drive in, drive out, I'm leaving
Drive in, drive out, I'll come back again
Drive in, drive out, I'm leaving
Drive in, drive out
I don't care if we all turn to waste
So when I beg you, avoid me
?Cause I smell of dirt, hungry hungry boy
But you won't leave me all alone
The boy won't go
Sooner or later we're gone
Sooner or later I'm gone because, because
Sooner or later we're done
Sooner away
Ooh, my head is pounding now
God has all but left me behind
Not a note of worry
I'm going to drive in and drive out again
Drive in, drive out, I'm leaving
Drive in, drive out, I'll come
Drive in, drive out, I'm leaving
Drive in, drive out
Here oh, I'm over this arrangement around here
Oh emptiness sounded so good
I want to drive you right into my world
Drive in, drive out, I'm leaving
Drive in, drive out, I'll come
Drive in, drive out, I'm leaving
Drive in, drive out
