

# Drive In Drive Out

## Dave Matthews Band

I hear more than I'd like to  
So I boil my head in a sense of humor  
Laugh at what I cannot change  
And I throw it all on the pyre again  
Go then and do this, I'd do it for you  
When all that I want is so badly to be by myself again  
It's going to drive me right out of my brain  
Drive in, drive out, I'm leaving  
Drive in, drive out, I'll come back again  
Drive in, drive out, I'm leaving  
Drive in, drive out  
I don't care if we all turn to waste  
So when I beg you, avoid me  
'Cause I smell of dirt, hungry hungry boy  
But you won't leave me all alone  
The boy won't go  
Sooner or later we're gone  
Sooner or later I'm gone because, because  
Sooner or later we're done  
Sooner away  
Ooh, my head is pounding now  
God has all but left me behind  
Not a note of worry  
I'm going to drive in and drive out again  
Drive in, drive out, I'm leaving  
Drive in, drive out, I'll come  
Drive in, drive out, I'm leaving  
Drive in, drive out  
Here oh, I'm over this arrangement around here  
Oh emptiness sounded so good  
I want to drive you right into my world  
Drive in, drive out, I'm leaving  
Drive in, drive out, I'll come  
Drive in, drive out, I'm leaving  
Drive in, drive out
