

Secret

The Benjamin Gate

A dream grows
Can You kiss it with Your lips
A life flows
Can You kiss it with Your lips Oh, hold me and heal me
Keep my heart in Your hands
Oh, hold me and heal me
Keep my heart in Your hands My heart fades
Can You kiss me with Your lips
My life shades
Can You kiss me with Your lips Oh, hold me and heal me
Keep my heart in Your hands
Oh, hold me and heal me
Keep my heart in Your hands
