

# Peak

## Drake

Treat you like princess  
Rest in heaven, Diana  
Piquing my interest  
She got peak like Montana  
England breeds proper girls  
Where are all your good manners?  
Reply with pleasantries  
Honestly, I can't stand ya Oh, oh, oh, oh  
Oh, oh, oh, you gon' make me turn up on you  
Oh, oh, oh, oh  
Oh, oh, oh, you gon' make me turn up on you  
What you thought of me?  
Never had me missin' a beat  
That's just a view from a cheap seat  
They don't want problems with me  
Talk used to be cheap, nowadays it's free  
People are only as tough as they phone allows them to be  
Girl, that could never be me  
I found my peace, I'm about to say my piece  
You might not agree with me "Bitch been with this boy, yeah, for 4 weeks"  
"I told her go on a date"  
"All of a sudden she married"  
"[?] bloodclaat married" Oh, oh, oh, oh  
Oh, oh, oh, you gon' make me turn up on you  
Oh, oh, oh, oh  
Oh, oh, oh, you gon' make me turn up on you  
â€” What I'm sayin', in today really at our big  
Big age if you're gettin' with someone right now  
And you're linking them for couple weeks  
They should know "This is the girl I kinda want to see"  
So lemme lock off the ting  
But obviously in the world that we live in today is not like that  
â€” He is... did that â€” but obviously it takes time  
â€” You're chattin' shit  
First of all you shouldn't have no problems at the beginning  
It should be like honeymoon-  
â€” That's what I said, that's what I said!  
The beginning is always honeymoon season  
â€” Yeah, well you overdo it and he's overdoin' it

Both of you are overdoin' it right now

â€” Yeah, well, alright
