

# Summer Romance (Anti-Gravity Love Song)

## Incubus

I'm home alone tonight  
Full moon illuminates my room sends my mind aflight  
I think I was dreamin' of some thoughts  
That were seemin'ly possible with you And so I call you on the tin can phone  
We rendezvous a quarter two  
And make sure we're alone  
Think I've found a way for you and I to finally fly free When we get there, we're gonna fly so far away  
Making sure to laugh while we experience anti gravity  
Anti gravity, anti gravity  
Ha ah ah ah ah For years I kept it to myself  
Now potentialities are bound are living under my shelf  
Simply choose your destination from the diamond canopy  
And we'll be there So I call you on the tin can phone  
We rendezvous at a quarter two  
And make sure we're alone  
I think I've found the way for you and I to finally be free When we get there, we're gonna fly so far away  
Making sure to laugh while we experience anti gravity  
Anti gravity, anti gravity  
Ha ah ah oh yeah Anti gravity, anti gravity  
Oh oh oh oh yeah
