

# Beautiful Child

## Swans

These are the things I hold on to  
These are the things I use to deceive myself  
I line them up in front of me  
I judge them carefully Then I throw them all away  
I throw them all away  
I am a small man  
I am not a dangerous man I love a child  
I love a beautiful child  
I love beautiful idea I will hold this child in my arms  
I will caress his soft head  
Listen to him cry  
Listen to him cry I can kill the child  
I can kill the child  
The beautiful child  
The beautiful child  
The beautiful child This is my life  
This is my choice  
This is my damnation  
This is my only regret This is my life, this is my life  
This is my sacrifice  
This is my sacrifice  
This is my life, this is my damnation This is my only regret  
That I ever was born  
This is my only regret  
That I ever was born This is my sacrifice, this is my life  
Would've been beautiful, what a beautiful idea  
This is my regret  
Get out of my head
