

Land of Gold (feat. Alev Lenz)

Anoushka Shankar

[Verse I]

Be no bird and be polite,
Say goodbye and say hello.
Wait your turn, sit up proud
Go to bed now, sweet dreams[Chorus]

Find the kind heart,
Rest your feet and soul.
May your kind heart
Find the land of gold.[Verse II]

Pay attention, say your name
Listen closesly and keep warm.
Gentle hands, you are brave,
Look at me and carry on.
All is good, I love you.
You can hear me, you can call.
Sing your song with ease and pride.
I'll be there, not far behind.[Chorus]

Tell them I walked (x3)
Tell them I walked your way (x3)
Tell them I walked (x5)
Tell them I walked your way
