You Upset Me Baby

B.B. King

Yes she's 36 in the bust
28 in the waist, 44 in the hips
She got a real crazy legs
You upsets me baby
Yes you upsets me baby
Yeah I'm telling you people
She's something fine that you really ought to seeWell, she's not too tall, complexion is fair
Man she knocks me out the way she wears her hair
You upsets me baby
Yes you upsets me baby
Like bein' hit by a fallin' tree
Woman woman what you do to meWell, I try to describe her, it's hard to stop
I better stop now because I got a weak heart
You upsets me
Well you upsets me baby
Well like bein' hit by a fallin' tree
Woman what you do to meWell, I try to describe her, it's hard to stop
I better stop now because I got a very weak heart
You upsets me baby
Yes you upsets me baby
Well like bein' hit by a fallin' tree
Woman what you do to me
