

You Upset Me Baby

B.B. King

Yes she's 36 in the bust
28 in the waist, 44 in the hips
She got a real crazy legs
You upsets me baby
Yes you upsets me baby
Yeah I'm telling you people

She's something fine that you really ought to see Well, she's not too tall, complexion is fair
Man she knocks me out the way she wears her hair

You upsets me baby
Yes you upsets me baby
Like bein' hit by a fallin' tree

Woman woman what you do to me Well, I try to describe her, it's hard to stop
I better stop now because I got a weak heart

You upsets me
Well you upsets me baby
Well like bein' hit by a fallin' tree
Woman what you do to me

Woman what you do to me Well, I try to describe her, it's hard to stop
I better stop now because I got a very weak heart
You upsets me baby
Yes you upsets me baby
Well like bein' hit by a fallin' tree
Woman what you do to me
