

Same Old Christmas (feat. Haylie Duff)

[Hilary Duff](#)

Rows of angels in the snow
Hugs and kisses by the mistletoe
Sugarplum fairies everywhere, must be that time of year
Stars that shine on Christmas trees
Smoke that curls from chimneys
Red nose reindeer taking flight and choir singing
Oh Holy Night [Chorus]
It's the same old, same old Christmas eve
It's the same old Christmas day
It's the same old, same old Christmas
But I like it, I like it that way Another snowman with a button nose
Presents all wrapped up in bows
Friends and neighbors knockin' at my door
Like every Christmas that's come before It's the same old, same old Christmas eve
It's the same old Christmas day
It's the same old, same old Christmas
But I like it, I like it that way Seasons keep on changin', the snow will melt away
But everything will be the same again, next year on Christmas day
And I like it, I like it that way Rows of angels in the snow
Hugs and kisses by the mistletoe
Friends and neighbors knockin' at my door
Like every Christmas that's come before [Chorus: x2]
