

# You Dont Know My Name

Alicia Keys

Baby, baby, baby  
From the day I saw you  
Really, really wanted to catch your eye  
Somethin' special 'bout you  
I must really like you  
'Cause not a lot of guys are worth my time, oohOh baby, baby, baby  
It's getting kind of crazy  
'Cause you are taking over my mindAnd it feels like ooh  
You don't know my name  
I swear, it feels like ooh  
You don't know my name  
(Round and round and round we go, will you ever know)Oh, baby, baby, baby  
I see us on our first date  
Doing everything that makes me smile  
When we had our first kiss  
It happened on a Thursday  
Ooh it set my soul on fireOoh baby, baby, baby  
I can't wait for the first time  
My imagination's running wildIt feels like ooh  
You don't know my name  
And I swear it baby, it feels like ooh  
You don't know my name  
(Round and round and round we go, will you ever know)I'm sayin', he don't even know what he's doin' to me  
Got me feelin' all crazy inside  
I'm feelin' like, oh  
Doing nothing I've ever done  
For anyone's attention  
Take notice of what's in front of you'Cause did I mention (oh)  
You bout' to miss a good thing  
And you'll never know how good it feels  
To have, all my affection  
And you'll never get a chance to experience, my lovin' (oh)  
'Cause my lovin' feels likeOoh  
You don't know my name  
And I swear it feels like  
Ooh  
You don't my nameYou don't know my name  
Baby, baby I swear  
It's like

Ooh You don't know my name  
It feels like  
Ooh  
And you don't my name  
And I swear on my mother and father it feels like  
Ooh  
Ooh  
Will you ever know?
