

Intermission I

TLC

Dang, girlie look pretty fly in those
Jeans right there, those tight jeans
Huh, girlie looks very wrong
Um, real nasty stank
Cootie cutters...
Ya know what I'm talkin' about
She needs a case of ho remover
This ain't one cute behind
Chorus:
Ho remover
Just a sprinkle a day
Wipes your ho fate away
Has your ho been sprinkled today
She can be my ho any day...
