Mercy Kiss

Abandoned Pools

I'm outta sight around the moon
But I'll be back in time for you
I know it's strange but are you big enough?
Okay, you know this isn't right
I'm the bark that's to your bite
But I can't wait till you see the light
So I, I do it all for you
But I'm not asking for
You lead me on
I don't need your mercy kiss

I'm in and out of astral planes
The sliding doors, I break the panes
I know it's strange so are you brave enough?
Alright, like a quarterback I score
I'm the one they all adore
But I can't find what I'm looking for
I don't need your
I don't need it
I don't need your mercy kiss
