## My Midnight Creeps

GirlfriendTo the way, I feel inside  
And it's all, because you lied  
And it's all, because you lied  
And it's all, because you lied  
And it's all, because you liedTo the way, I feel inside  
And it's all, because you liedTo the way, I feel inside  
And it's all, because you liedTo the way, I feel inside  
And it's all, because you lied  
And it's all, because you lied  
And it's all, because you lied  
And it's all, because you liedTo the way, I feel inside  
And it's all, because you liedTo the way, I feel inside  
And it's all, because you lied  
To the way, I feel inside  
And it's all, because you liedGirlfriendWe could be friends  
Away from my heart  
Away from my heart  
We could be friendsTo the way, I feel inside  
And it's all, because you lied  
And it's all, because you lied  
And it's all, because you lied  
And it's all, because you liedTo the way, I feel inside  
And it's all, because you liedGirlfriend
