

I'm a Sinner

Madonna

Like the sun, like the light, like the flame
Like the storm I burn through everything
Like a bomb in the night, like a train
Thunder rings through the hills, let it rain Ah, o-wo-o-ho
Ah, wo-o-ho-ho
I'm a sinner, I like it that way
Ah, o-wo-o-ho
Ah, wo-o-ho-ho
I'm a sinner, I like it that way All the boys, all the boys and girls
Wanna be like us tonight
All the boys, all the boys and girls
Ride the magic bus tonight I'm a sinner, I'm a sinner,
I'm a sinner, I like it that way
I'm a sinner, I'm a sinner,
I'm a sinner, I like it that way Like a mon with no light of my own
Surf's the sky for a place to call home
I woke up with my head in the fire
Get my kicks when I'm walking the wire Ah, o-wo-o-ho
Ah, wo-o-ho-ho
I'm a sinner, I like it that way
Ah, o-wo-o-ho
Ah, wo-o-ho-ho
I'm a sinner, I like it that way All the boys, all the boys and girls
Wanna be like us tonight
All the boys, all the boys and girls
Ride the magic bus tonight I'm a sinner, I'm a sinner,
I'm a sinner, I like it that way
I'm a sinner, I'm a sinner,
I'm a sinner, I like it that way I'm a sinner, I'm a sinner,
I'm a sinner, I like it that way
I'm a sinner, I'm a sinner,
Praise the lord and I like it that way Hail Mary, full of grace
Get down on your knees and pray
Jesus Christ, hanging on the cross
Died for our sins, it's such a loss
Saint Christopher, find my way
I'll be coming home one day
Saint Sebastian, don't you cry
Let those poison arrows fly Saint Anthony, lost and found

Thomas a cryin', just stand your ground
All those saints and holy men
Catch me before I sin again Oh-o-wo-ho
Oh-o-wo-ho
I'm a sinner, I like it that way
Oh-o-wo-ho
Oh-o-wo-ho
I'm a sinner, I like it that way
I'm a sinner, I'm a sinner,
I'm a sinner, I like it that way
I'm a sinner, I'm a sinner,
I'm a sinner, I like it that way You're a sinner, you're a sinner
You're a sinner, you like it that way
We're all sinners, we're all sinners
We're all sinners I'm a sinner
I'm a sinner
I'm a sinner
And I like it that way Hail Mary, full of grace (the lord is with me)
Hail Mary, full of grace (your love is with me)
Full of grace
