

# Guardian Angel (feat. Phora)

## Anthro Beats

I believe everybody is an angel  
But these demons they try to change you  
And these people keep tryna blame you  
Just follow your dreams and watch where they take you  
Just watch where they take you  
Watch where they take you  
What where they take you  
And I'll be your guardian angel  
So anytime you need me I'll be there for you  
There for you  
So anytime you need me I'll be there for you
