

Glamorous Indie Rock & Roll

The Killers

Glamorous
Indie rock & roll is what I need
It's in my soul, it's what I need
Indie rock & roll, it's time
Two of us
Flipping through a thrift store magazine
She plays the drums, I'm on tambourine
Bet your, your bottom dollar on me
It's Indie rock & roll for me
It's Indie rock & roll for me
It's all I need
It's Indie rock & roll for me
In a clutch, I'm talking every word for all the boys
Electric girls with worn down toys
Make it up, break it up, what do you care
Oh what do you care?
I take my twist with a shout
A coffee shop with a cause, then I'll freak you out
No sex, no drugs, no life, no love
When it comes to today

Stay if you wanna love me, stay
Oh, don't be shy, let's cause a scene
Like lovers do on silver screens
Let's make it yeah, we'll cause a scene
It's Indie rock & roll for me
It's Indie rock & roll for me
It's all I need
It's Indie rock & roll for me
In a clutch, I'm talking every word for all the boys
It's Indie rock & roll for me it's all I need
Makin' up, breakin' up, what do you care
What do you care? It's Indie rock & roll for me
Two of us
Flipping through a thrift store magazine
It's Indie rock & roll for me
It's all I need
Makin' up, breakin' up
What do you care

What do you care?
It's Indie rock & roll for me
