

The Right Stuff (High Flying Birds in 3D)

Noel Gallagher's High Flying Birds

Out of the blue I heard an angel say...

"Give me your soul and I'll be on my way"

You and I got the right stuff

You and I got the right stuff Are you a sleeper or a mortal soul?

Are you the devil with a heart of gold?

You and I got the right stuff

You and I got the right stuff When your heart gets shattered and your jeans get frayed

And your baby sings the mourning at the end of the day When your heart gets shattered and your jeans get frayed

And your baby sings the mourning at the end of the day
