

# Playboy (Stereo Version)

## The Marvelettes

(Watch out) oh girls, you know we've got to  
(Watch out) girls, you know we've got to (Watch out, here comes that playboy) he-he is a playboy  
(Watch out, here comes that playboy) he-he is a playboy  
(Watch out, here comes that playboy) Playboy, get away from my door  
I heard about the lovers you had before  
(You took their love for a game of joy)  
Oh yeah  
(And tossed their heart around as though it was a toy, playboy) oh yeah Well, playboy, find yourself another toy  
'Cause this is one heart you won't destroy  
(Cause I can't stand for what you're putting down) oh yeah  
(Fooling around with every girl in town playboy) oh yeah Well, you ain't saying nothin' in my book (playboy,  
playboy)  
'Cause this is one fish you'll never-ever hook (playboy, playboy)  
You left the others standing with their hearts in pain (he is a playboy)  
And now you got me 'round trying to do me the same (playboy, playboy) So playboy, I've seen your kind  
Winnin' every girl with that same old line  
(So playboy, stay away from my door) oh yeah  
(I know about the lovers you had before) oh yeah (playboy) Oh, you know you've got to (watch out, here comes  
that playboy)  
Yes, you know you've got to (watch out, here comes that playboy)  
Oh, you've got to (watch out, here comes that playboy)  
You better (watch out)  
You better (watch out) You ain't saying nothin' in my book  
'Cause this is one fish you'll never-ever hook  
You left the others standing with their hearts in pain (he is a playboy)  
And now you got me 'round tryin' to do me the same So playboy, I've seen your kind  
Winnin' every girl with that same old line  
(So playboy, stay away from my door) oh, yeah  
(I know about the lovers you had before) oh, yeah (playboy) Oh, you know you better (Watch out, here comes  
that playboy)  
(Watch out, here comes that playboy) Watch for the playboy, he's bringing you false joy  
(Watch out, here comes that playboy) he-he's a playboy  
(Watch out, here comes that playboy) he-he's a playboy...
