Love Sucks

Tight Fitting Pants

All I want is to be with you
All I need is the need for you
All I see in my mind
Is a little girl who's hard to findLove is blind Love sucks
Love is blind I've had enough
Love is cool That sucks
I'm not a fool I've had enoughAll I want is to be with you
All I need is the need for you
All I see in my mind
Is a little girl who's hard to findLove is blind Love sucks
Love is blind I've had enough
Love is cool That sucks
I'm not a fool I've had enoughLove Sucks
Love Sucks
Love Sucks
