

# Kelpie

## Terraformer

There was a warm wind with the high tide  
On the south side of the hill  
When a young girl went a-walking  
And I followed with a will  
Good day to you, my fine young lady  
With your lips, so sweetly full  
May I help you comb your long hair?  
Sweep it from that brow, so cool  
Up, ride with the kelpie  
I'll steal your soul to the deep  
If you don't ride with me while the devil's free  
I'll ride with somebody else  
Well, I'm a man when I'm feeling  
The urge to step ashore  
So, I may charm you, not alarm you  
Tell you all fine things and more  
Up, ride with the kelpie  
I'll steal your soul to the deep  
If you don't ride with me while the devil's free  
I'll ride with somebody else  
Say goodbye to all your dear kin  
For they hate to see you go  
In your young prime to this place of mine  
In the still loch far below  
Up, ride with the kelpie  
I'll steal your soul to the deep  
If you don't ride with me while the devil's free  
I'll ride with somebody else  
Up, ride with the kelpie  
I'll steal your soul to the deep  
If you don't ride with me while the devil's free  
I'll ride with somebody else  
Up, ride with the kelpie  
I'll steal your soul to the deep
