

# If You Go

## Kevin Cochran

Slowly speak my mind, If I can find the time  
To Tell you everything about my life, in 5 minutes or less  
    Found you here then you dissapeared, in all my years  
I've never ever heard a story like that, have you ever heard a story like that?And if you go, then I'll never ever  
    ever have to know  
The sound of your sweet name, and it will haunt me there forever in my dreams  
    so I can't let you leaveFor once in your in life, will you be wrong before right  
    We'll let answers be the questions of the story of tonight  
    And If here is where I stand, and if it's there where I fall  
Can we end up at forever, if forever's afterallAnd if you go, then I'll never ever ever have to know  
    The sound of your Sweet name, It will haunt me here forever in my dreams  
    So I can let you leave, that's where you'll always be  
    I can hear you say, that you won't let me walk away  
    I hear you say, you let me walk way...
