We're All No One (ft. Afrojack & Steve Aoki)

NERVO

You do your best
You take the fall
You reminisce
About almost nearly having it allYou see the stars
You try and catch one
Ooooh
You tried so hard
Chasing
NothingBecauseWe're all no one 'til someone thinks that we're someone
'til then we're no one
And you got me looking at youI said we're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at you, looking at youWe're all the same
We all have hopes
Ohh it gets insane
When you're slipping down that downward slope
I come with peace
I offer love
So if you're hearing me
Then hurry baby
Give it upBecauseWe're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at youI said we're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at youI said we're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at youI said we're all no one 'til someone thinks that we're someoneOh!
C'mon
Oooooh!
C'monDo ya best x 20 (or something)We're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at you, looking at youI said we're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at you, looking at youLooking at you
