

We're All No One (ft. Afrojack & Steve Aoki)

NERVO

You do your best
You take the fall
You reminisce
About almost nearly having it all You see the stars
You try and catch one
Ooooh
You tried so hard
Chasing
Nothing Because We're all no one 'til someone thinks that we're someone
'til then we're no one
And you got me looking at you I said we're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at you, looking at you We're all the same
We all have hopes
Ohh it gets insane
When you're slipping down that downward slope
I come with peace
I offer love
So if you're hearing me
Then hurry baby
Give it up Because We're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at you I said we're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at you I said we're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at you I said we're all no one 'til someone thinks that we're someone Oh!
C'mon
Ooooooh!
C'mon Do ya best x 20 (or something) We're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at you, looking at you I said we're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at you, looking at you Looking at you
