Lewis (Mistreated)

Radiohead

Bummed out again by your only business friend
The smell of failure is thicker than you think
Don't do this
Don't, doChanged shape to fit
In the end you just feel sick
A million love songs under anesthetic
Hey don't do this
Don't, doLewis, save yourself the pain
You'll never get there
Lewis, save yourself the pain
It never really mattersWe never noticed, we never understood
He'd just get crushed to fit
He never even smelt out the best
It's the best, it's the best day of your lifeLewis, save yourself the pain
You'll never get there
Lewis, save yourself the pain
It never really matters
No, I swear, I swear, I swearOh, mistreated
A low corporate
Oh, mistreated
A low corporateI, I don't want to talk about it
I, I don't want to talk about it
I, I don't want to talk about Lewis, Lewis, Lewis
I, I don't want to talk about Lewis, Lewis, Lewis
