Live Out Loud

Intervision

Imagine this, I get a phone call from Regis
He says, "Do you want to be a millionaire?"
They put me on the show and I win with two lifelines to spare
Now picture this, I act like nothing ever happened
And bury all the money in a coffee canWell, Ive been given more than Regis ever gave away
I was a dead man who was called to come out of my grave
And I think its time for makin some noiseWake the neighbors, get the word out
Come on, crank up the music, climb a mountain and shout
This is life weve been given, made to be lived out
So la la la la, live out loud
Live out loud, yeahThink about this, try to keep a bird from singing
After its soared up in the sky
Give the sun a cloudless day and tell it not to shine
Now think about this, if we really have been given
The gift of a life that will never endAnd if we have been filled with living hope were gonna overflow
And if Gods love is burning in our hearts were gonna glow
Theres just no way to keep it inWake the neighbors, get the word out
Come on, crank up the music, climb a mountain and shout
This is life weve been given, made to be lived out
So la la la la, live out loud
Live out loudEverybody, come on
La la la, la la la la, la la la, live out loud
I want to hear everybody sing
La la la, la la la la, la la la, live out loud, loud, loudEvery corner of creation is a living declaration
Come join the song we were made to singWake the neighbors, get the word out
Come on, crank up the music, climb a mountain and shout
This is life weve been given, made to be lived out
So la la la la, live out loud
Live out loudWake the neighbors, get the word out
Come on, crank up the music, climb a mountain and shout
This is life weve been given, made to be lived out
So la la la la, live out loud
Live out loudLa la la, la la la la, la la la, live out loud
La la la, la la la la, la la la, live out loud
La la la, la la la la, la la la, live out loud
