

# Slumber of Sullen Eyes

## Demigod

I shall befall thee  
In the sullen halls of dark oblivion  
In an eventide of abysmal grief  
Hybrid form of life  
Hidden from the immortal  
Your soul will burn through time  
The dark realm dwells in no light  
Dismal dreams of lives forgotten  
In the visions of my slumber  
They lie silent in chasms  
The bleeding eyes of sorrow  
The gathering of miserable beings  
Grievous existence underwent to the end  
In blackness they mourn  
The souls of sorrow now bleed in tears  
I shall befall thee  
In the sullen halls of dark oblivion  
In an eventide of abysmal grief  
Hybrid form of life  
Hidden from the immortal  
Your soul will burn through time  
The dark realm dwells in no light  
Dismal dreams of lives forgotten  
In the visions of my slumber  
They lie silent in chasms  
The bleeding eyes of sorrow  
Frozen eyes gazing to stillness  
Beckoning into the dark  
Summoned to the vale of tears  
To feel the appearance of grief  
Slumber of sullen eyes (repeat)
