

# Never Knew

## Dive

Is this it? Is it over?  
I will wait for you to make up your mind  
Is it now? Is it ever?  
I will not give up aliveMy hands are shaking  
From the time that we knew  
My heart is breaking  
All your dreams come true  
Never KnewWhen you smile do you feel empty?  
Well I know just how you feel  
I would die to be with you  
I will not give up the fightMy hands are shaking  
From the time that we knew  
My heart is breaking  
All your dreams come true  
Never Knew
