# Fact Or Fiction

## Jacquees

Ooh-ooh-ooh, ooh-ooh-ooh, ooh-oohYou're trippin', blame me for my pastWhen you know I'm more than that
Been there once no going' back, I promise
I'ma get it right this time, I'ma prioritize
You better know that ass is mine (Rich Gang)
Say I got too much baggage, I'll be gone by the mornin' (Gone by the mornin', yeah)
Tryna bring another bag in, I'ma run up a fortune (Yeah, run up a fortune)
Catch ya face in the mattress, it's a private performance (Yeah)
I done taught you all the bad tricks, don't put nobody on itShawty, you done caught me in the moment
Got me up bright and early
Thinkin' 'bout you got me worried
Don't you go runnin' from me, why you in such a hurry?
Baby, tell me how you really feel
Fact or fiction?
Do you trust me?
Would you tell me if I messed up?
Would you give up on my love?
Fact or fiction?
Can we fix it? Is it over?
Can you live with what they told you about me? (Fact)It's that I love you, babe, even when it's ugly, babe
On our sunny days, on our rainy days
I'm gon' feel the same, ain't nothing change (Fact)
Be back, gotta handle some thangs (Fact)
I know that I ain't been the same but I promise I hear you and all your complaintsShawty, you done caught me in the moment
Got me up bright and early
Thinkin' 'bout you got me worried
Don't you go runnin' from me, why you in such a hurry?
Baby, tell me how you really feel
Fact or fiction? (Fiction)
Do you trust me?
Would you tell me if I messed up?
Would you give up on my love? (Oh, yeah)
Fact or fiction?
Can we fix it? Is it over?
Can you live with what they told you about me? (Ooh-ooh)
Fact or fiction?
Would you leave me for another?
Would he love you like I loved you? (I gotta know)
Fact or fiction?

Can we fix it? Is it over?
Can you live with what they told you about me? (Ooh-ooh)
Fact or fiction?
Do you love me? (Rich Gang)
Would you tell me if I fucked up? Your love
Fact or fiction?
