## Carter The Unstoppable Sex Machine

Ground floor Shoppers' Paradise  
Habit-dashery, needles, spoons and knives  
Knuckle-dusters, glass jaws and wooden hearts  
Spend your money girls on sprays and lipsticks  
Tested on bunnies, girls, strays and misfits  
Ozone friendly rape alarms  
For those blinding dates

Another summer of hateIt's the top shop for the tired and rundown  
Going up for the final comedown

First and second floors, third and fourth world wars  
We've got a free pair of flares  
With every hip replacement

Just take the stairs to the bargain basement

Babies bottles full of the milk of human knd nestle.Ladies and gentlemen, boys and girls  
The big shop is open it's a wonderful worldTop floor Shoppers' Paradise  
We've got a drunk Father Christmas and The Antichrist  
We've got nothing of value so there's no V.A.T.  
We're going S.H.O.P.P.I.N.G.  
We take Visa, Access, American Express  
Patched-up, hand-me-down, second to next best

Clothes for all ages, mothers and babiesLadies and gentlemen, boys and girls  
The big shop is open it's a wonderful worldGoing down for all the things you missed  
All the love. peace and happiness that don't exist  
We've got enpsychopaedias we've got pic 'n' fix  
A government freeer full of benefits  
A children's assortment we're bigger than Hamleys  
We've got Cabbage Patch orphans from Sylvanian Famllies  
Carpets. Iinoleum, holy petroleum,  
Chemi-kaze killers, little Hitlers and Napoleans  
Ladies and gentlemen, boys and girls  
The big shop is open and the world  
Is wonderful
