

# Undercover

## The Vaccines

We can keep it undercover  
Find me in the shadows, I'm protegee  
Damn until tomorrow  
We can keep it undercover  
Find me in the shadows, I'm protegee  
Damn until tomorrow  
And make sure that no-nobody follows  
You don't need no other lover  
We can keep it undercover  
You don't need no other lover  
We can keep it undercover  
I wanna find a place where  
We can be alone in the dark  
And you can navigate me  
Like a map that you know by heart You're a sexy machine, you're a hollywood dream  
And you got me feeling like a homecoming queen  
Let's drop out of this crowd  
Somewhere no one's allowed  
I want you  
All to myself, I want you all to myself  
And nobody else, yeah  
You don't need no other lover  
We can keep it undercover
