

# Pink Day

Jeanne Newhall

Now it's a Pink Day Pink Day Pink Day  
Oh, it wants to go my way, my way  
The world can be up or unfair down and dirty  
I will not blink 'cause I see it so clearly  
I will not think and I feel it sincerely  
It's a Pink Pink Day

The world is for sale but I just don't buy it  
The offer is cheap I don't need to try it  
I'm out of that place I'm runnin' towards heaven  
And I'll take a ten don't need an eleven

Now it's a Pink Day Pink Day Pink Day  
Oh, it wants to go my way, my way  
The world can be up or unfair down and dirty  
I will not blink 'cause I see it so clearly  
I will not think 'cause I feel it sincerely  
It's a Pink Pink Day

Good mornin' be in it today is the someday  
I could put on black funk fuschia and gray  
But now it's not me going into the fray  
It's all just love sweet syrup and parfait

It's a Pink Day Pink Day Pink Day  
Yeah, it wants to go my way, my way  
The world can be up or unfair down and dirty  
I will not blink 'cause I see it so clearly  
I will not think and I feel it sincerely  
It's a Pink Pink Day
