

Move It

Great White

Sweet little sister
This scene's sure gettin' old
Don't you think
It's time we got to go
I got so twisted
Tryin' to make it right
Don't you know
We've wasted half the night
I was told to use my head
Be heard and never seen
It's just you're daddy's double talk, oh yeah, baby
And you don't mean no thing to me
Let's move it
Time to say so long
Let's move it
Let's get this mother on
Hey, little sister
In your high heeled shoes
Don't you know
It's time to learn the blues
Oh, sweet little sister
Time to get it on
Don't you know
The meanin' to this song
I recall what daddy said
Stay where you belong
That's just another lie, oh yeah
And you know it

So, let's get this baby on
Let's move it
Time to say so long
Let's move it
Let's get this mother on
Let's move it
Oh no, time to say so long
Let's move it
Yeah, let's get this mother on
Let's move it

Let's move it
Let's move it
It's just like that
It's just that double talk
Don't mean nothing to me
It's time to shake it loose
Shake it from the family tree
Let's move it
Time to say so long
Let's move it
Let's get this mother on
Let's move it
Baby, time to say so long
Let's move it
Let's get this mother on
Just move it
