## **Honey (Open That Door)**

## **Ricky Skaggs**

Honey, honey, honey won't you open that door?

This is your sweet daddy, don't you love me no more?

It's cold outside, let me sleep on the floor

Honey won't you open that door?I honky tonked around Dallas

I got in a poker game

Somebody musta been a cheatin'
I lost everything but my nameWell, I walked halfway to Memphis
I finally got back home

But I'd been better off where I was

'Cause here's where things went wrongHoney, honey, honey won't you open that door?

This is your sweet daddy, don't you love me no more?

It's cold outside, let me sleep on the floor

Honey, won't you open that door?I went right down to see old Bob

I thought he was my friend

The landlord said that Bob's not here

The police done hauled him in I ran right back to little honey's house

I got me a rockin' chair

Now, honey if you don't open that door

I'm gonna rock on away from hereHoney, honey, honey won't you open that door?

This is your sweet daddy, don't you love me no more?

It's cold outside, let me sleep on the floor

Honey won't you open that door? Honey, honey, honey won't you open that door?

This is your sweet daddy, don't you love me no more?

It's cold outside, let me sleep on the floor

Honey won't you open that door? Honey, honey

Honey, honey

Now, honey won't you open that door?
