Stay

Amber Carrington

All along it was a fever
A cold sweat hot-headed believer
I threw my hands in the air, said, "Show me something,"
He said, "If you dare come a little closer."

Round and around and around and around we go
Oh now tell me now tell me now tell me now you know

Not really sure how to feel about it.
Something in the way you move
Makes me feel like I can't live without you.
It takes me all the way.
I want you to stay

It's not much of a life you're living
It's not just something you take â€“ it's given

Round and around and around and around we go
Oh now tell me now tell me now tell me now you know

Not really sure how to feel about it.
Something in the way you move
Makes me feel like I can't live without you.
It takes me all the way.
I want you to stay.

Ooh the reason I hold on
Ooh cause I need this hole gone
Funny you're the broken one but I'm the only one who needed saving
Cause when you never see the light it's hard to know which one of us is caving

Not really sure how to feel about it.
Something in the way you move
Makes me feel like I can't live without you.
It takes me all the way.
I want you to stay, stay.
I want you to stay, oh.
