

Monk

The TV Theme Players

If I promise that I'll be real good,
You wanna take me out
No touching or feeling anything.

If I promise that my hands don't move,
You wanna take me in
No touching or feeling anything.

If I promise that my legs stand still,
You wanna run your mouth
No touching or feeling anything

Ooo-ooo-ooo

And if I promise that my head don't spin,
You want a piece of my mind
No touching or feeling -

Whatcha two-timing for,
I'm on my way, I'm alive (X2)
I think you start in my head, but I'd stop anything for you
Ooo-ooo-ooo

If I promise that my nose don't bleed,
You wanna cut my chest
No touching or feeling anything

If I promise that our eyes don't lock,
You wanna steal my soul
No touching or feeling anything

Whatcha two-timing for,
I'm on my way, I'm alive (X4)

I think you start in my head but I'd stop anything
I think you start in my head but I'd stop anything for you

Ooo-ooo-ooo
