

Gimme Chemicals

The Pink Spiders

Hey, gimme, gimme chemicals
Gimme the fix, gimme back control
A white hot white revival
We're gonna be saved tonight
A twist in hand with some friends of mine
We hang like sneakers from the power lines
Now that I'm 26, in no state of mind
To feel relieved or to be satisfied, singing
All this pressure and all this pain
And all these sins swim through my veins
If I could do it again I'd probably do it the same
But I'd try to cut back on the cigarettes singing
Hey, gimme, gimme chemicals
Gimme the fix, gimme back control
A white hot white revival
We're gonna be saved tonight
Hey, gimme, gimme chemicals
Gimme the fix, gimme back control
A white hot white revival
We're gonna be saved tonight
She blew my nose and then she curled my toes
And then she made me breakfast, laid out my clothes
Went back to sleep and never called her back
The only plans I make are to the block and back
But I can't get it out of my head
No, I can't get it out of my head
There's a rhythm to the words that she said
And it keeps me screaming
Hey, gimme, gimme chemicals
Gimme the fix, gimme back control
A white hot white revival
We're gonna be saved tonight
Hey, gimme, gimme chemicals
Gimme the fix, gimme back control
A white hot white revival
We're gonna be saved tonight
Ooh, you know the pharmacy's bought the revival
Ooh, and now they're giving it all away
Ooh, you know the pharmacy's bought the revival

Ooh, yeah
Hey, gimme, gimme chemicals
Gimme the fix, gimme back control
A white hot white revival
We're gonna be saved tonight
Hey, gimme, gimme chemicals
Gimme the fix, gimme back control
A white hot white revival
We're gonna be saved tonight
Ooh, you know the pharmacy's bought the revival
Ooh, and now they're giving it all away
Ooh, you know the pharmacy's bought the revival
Ooh
