(Featuring...)

(N-n-n-n-n-Notch...)

Respect...

If, if, if, if, if...

If you ever change your mind
Only turn back the hands of time
Cross my heart and hope to die
I don't want to see you cry
I don't want to see you cry
Can't take place its not to fair
I know for you it's much to bear
When you're drowning in despair
Just know I'll always be right there
Right there, right there, right there...
(Verme...) No, no, don't want no more
Maybe you're gonna regret it someday
You feel that you'd be better off
But it's still your loss
And you know it, take it
Take it as a loss
You'll regret, the very thing
When you just up and left
You can act you're better off
But it's still your loss
You'll regret it, regret, regret

No serÃ¡ fÃ¡cil olvidarte de mÃ-

Yo te hice feliz, lo sabes, lady

_____,baby, te quiero a ti

No pienses que yo irÃ© por ti

Now you're calling, you're feeling lonely

Hoy sentirÃ¡s lo que yo sentÃ-a por ti

Se que hay un dolor why un vacÃ-o muy dentro de ti

Pero fue lo que decidiste, lady
Que quieres de mÃ-, recuerda de que al fin
Arrepentida vuelves tÃ° aquÃ-
Necesitas verme why regresas por mÃ-
Se que te mueres por mi...
No puedes olvidarme...
Estoy en tu piel...
Lo sabes bien...
No quieres perder...
Ni un minuto sin mÃ- ser...
Arrepentida estas, no finjas mas ...
Verme no quieres mas, why tal vez...
Te arrepentirÃ;s, yo se...
SerÃ;s tu quien perderÃ;s...
SerÃ;s tÃ°, tÃ° lo sabes...
Verme no quieres mas, why tal vez...
Te arrepentirÃ;s, yo se...
SerÃ;s tu quien perderÃ;s...
SerÃ;s tÃ°, tÃ° lo sabes...

Everybody need to take time to reflect
Take time to put things in prespect
Soon as you realize
And start to regret

and get a better hope
and get a better hope
and get a better hope

Correct, correct...
Girl, you move me
Lose me, I love your body
Girl, I want your body
Hold her strong...
Girl, you move me
Lose me, I love your body
Girl, I want your body
In my arms...
The way you move me
You just lose me
Girl, you just...
Girl, you just...
Girl, you just lose me
Girl, you just lose me
