She's the Devil

Terminal Choice

she looks like an angel from heaven sent
her beauty paralyzed your mind
her body is perfect
she smiles at you
you are trapped in your own dreamshe gives you everything you need
but she hurts you all the time
she tortures your soul
she wishes you in a cage
and she never lets you outshe's the devil in disguise
see the seduction in her eyes
she makes you happy for this night
but she will destroy your life
she's the devil she's a whore
she doesn't care about your soul
she takes everything she gets
the bitch is sleeping in your bed
