

# Can't Stop Me

Afrojack & Shermanology

If this was the last dance of the night  
Will you join me 'til the morning light?  
Dance the night away 'cause it feels right  
You can't stop me, no

If this was the last dance of the night  
Will you join me 'til the morning light?  
Dance the night away 'cause it feels right  
You can't stop me, no

You can't stop me, no  
You can't stop me, no

No no no no

You can't stop  
You can't stop  
You can't stop

If this was the last dance of the night  
Will you join me 'til the morning light?  
Dance the night away 'cause it feels right  
You can't stop me, no

If this was the last dance of the night  
Will you join me 'til the morning light?  
Dance the night away 'cause it feels right  
You can't stop me, no

You can't stop me, no  
You can't stop me, no

You can't stop me, no  
You can't stop me, no

24/7, 365 with you  
We know the end is here  
You can't stop me, no

If this was the last dance of the night

Will you join me 'til the morning light?  
Dance the night away 'cause it feels right  
You can't stop me, no

If this was the last dance of the night  
Will you join me 'til the morning light?  
Dance the night away 'cause it feels right  
You can't stop me, no
