

Nora

Oscar and the Wolf

Got me dreaming
Now I'm losing like before
Got me dreaming
I ain't leaving like beforeCome see me in the night
Don't leave me in the daytimeYou're a target without a warning
Do you want more?
And I want you when I see you dancing
So track my fear and fever
You're the night, chase my skin
Track my fear and fever
Give me fire kissingCome see me in the night
Don't leave me in the daytime
