Laid to Waste

Bolt Thrower

Collected thoughts never forget
The final hour now is set
Paranoia in your cold soul
Man's requiem in silence toldSacrificed the fallen lie
All areas now pacified
As they are, we shall become
The glory of another battle wonThe long dark path journey on
May lose the war, this day is done
Await tomorrow foretold destiny
Withdraw the veil, friend or enemyConstructed too much haste
All is now laid to waste
Unchained sanity's unsafe
All is now laid to waste
