

Feeding Frenzy

Otep

Godless!
Walking up,
Don't give a fuck.
I feel your eyes on me.
I'm standing strong.
You came unarmed,
But still you wanna fuck with me.
You're fighting for some holy war!
Don't fucking pray for me!
Cause all your hate just makes me stronger! I fear
No man.
So give me
Your best shot
And everything you got. I am
Empty
Ready for a feeding frenzy Strength in numbers
Counting you like sheep
Makes me wonder
Why you are so weak
It's a feeding frenzy
The gnashing of the teeth
If there's strength in numbers,
Why are you so weak? RIOT! You feed upon the innocent,
So delicate and sweet.
You need friction to make fire,
But you never expected me.
To detonate
And eradicate
The deceptions that you preach
But all your hate,
Just makes me stronger! I fear
No man.
So give me
Your best shot
And everything you got. I am
Empty
Ready for a feeding frenzy Strength in numbers
Counting you like sheep
Makes me wonder,

Why are you so weak?It's a feeding frenzy
The gnashing of the teeth.
If there's strength in numbers,
Why are you so weak?RIOT!RIOT!Get up!
Get out!
And stand your ground!
AND FIGHT!FIGHT!
Get up!
Get out!
And stand your ground!
Get up!
Get out!
And stand your ground!
Get up!
Get out!
And stand your ground!
AND FIGHT!I fear
No man.
So give me
Your best shot
And everything you got.I am
Empty
Ready for a feeding frenzy
Strength in numbers
Counting you like sheep
Makes me wonder,
Why are you so weak?It's a feeding frenzy
The gnashing of the teeth.
If there's strength in numbers,
Why are you so weak?Your best shot
And everything you got.
Your best shot
And everything you got.
Your best shot
And everything you got.
Your best shot
And everything you got.
