Keep The Faith

Dropkick Murphys

[Originally by The Business]But for you where would they be
In a society claiming democracy
Nothing in the press or the radio
Only the fanzines that give em the goSo keep the faith
We'll break though one day
Keep the faith
Our music's here to stayTV pundits total lies
All the people that we despise
Come on tour and you will see
Street music as it should beSo keep the faith
We'll break though one day
Keep the faith
Our music's here to stayRadio stations chosen playlists
Say that it's just the way it is
They only have their financial say
From the profits punk will pay
