

Suddenly (Wideline Radio Edit)

[LeAnn Rimes](#)

It's Independence Day I'm free
And it's a strange place to be
I'm gonna break these chains
Unleash the changes in me I see an endless road
I feel the restless wind
I've lost the fear inside
Cause I've got no choice
But to live or die [Chorus]
Suddenly you're in this fight
Alone
Steppin' out into the great
Unknown
And the night's the hardest
Time
When the doubts run through
Your mind
Cause suddenly you find your
Self alone
Suddenly you find yourself In an empty room
With a suitcase on the floor
It'll be daylight soon
I'm gonna wage my private
War Who's watchin' over me
Must be a guardian angel
I just need time to breathe
And give my life
The best of me [Chorus] Suddenly you're in this fight
Steppin' out and then [Chorus] Suddenly you're in this fight
Alone
Steppin' out into the great
Unknown
And the night's the hardest
Time
When the doubts run through
Your mind
Cause suddenly you find your
Self alone
Suddenly I found myself
