

# Slow Down

Aly & Aj

I need a little time, to see what you're made of  
I know what's on your mind  
You're headin' straight for love  
Let's not rush, you're movin' way to fast  
We can figure it out, we can make this last  
We don't have to be so serious  
You need to  
Slow down, I'm not goin' anywhere  
Slow down, if you care, I need a little time for air  
If you just let me breathe maybe I'll stick around  
If you slow down  
I wanna little space, a little less attention  
You see it on my face, don't need an explanation  
Let's not rush, you're movin' way to fast  
We can figure it out, we can make this last  
We don't have to be so serious  
You need to  
Slow down, I'm not goin' anywhere  
Slow down, if you care, I need a little time for air  
If you just let me breathe maybe I'll stick around  
I'll stick around if you slow down  
Keep callin' you won't leave me alone  
Baby love like it's a joke  
Leavin' flowers at my door  
Have enough don't need anymore  
Believe in what we have right now  
Have to slow down, I'm not goin' anywhere  
Slow down, slow down, I'm not goin' anywhere  
Slow down, if you care, I need a little time for air  
If you just let me breathe maybe I'll stick around  
Slow down, I'm not goin' anywhere  
Slow down, if you care, I need a little time for air  
If you just let me breathe maybe I'll stick around  
Ya have to slow down, yeah  
If you just let me breathe maybe I'll stick around  
Not goin' anywhere, slow down  
If you just let me breathe maybe I'll stick around  
Not goin' anywhere, slow down  
If you just let me breathe maybe I'll stick around

Not goin' anywhere, if you slow down
