

Fire on My Back

Dr. Dog

Born invisible
Just metaphysical
Facts all the visitors
To shit says it is-able
and Pop culture quizicle
Down with the mystical
Failed on my testicles slapped em with a battery
and burn just a part of me
hard men have hallowed me
cats curiosity
skinned them in the gallery
I know that time is hard to spend
So waste it so waste it on wine
I know the farm is hard to tend to
So taste it
It tasted
Like fire on my back it is aPop called me miserable
She, got my belly full
Three, like an animal
Fire on my back it is aI know that time is hard to spend
So waste it so waste it on wine
I know the farm is hard to tend to,
so taste it
it tasted like
fire on my back it is a
I know that time is hard to spend
So waste it so waste it on wine
I know the farm is hard to tend to,
so taste it
it tasted like
fire on my back it is a
