

Call Of Love

Every Knee Shall Bow

"Here I stand waiting for you
Hear my words my child
This is my plea for your life
Let me in let me enter

Can you hear me calling
I'm standing right here
in front of you
All I ask of you
Is to open your heart and let me in
My child
Just hear the words I'm saying
I love you with unfailing love
That will never end

This is
My call of love
This is
Your chance for freedom

You're there,
On the brink of opening up and
Feeling real life I can give you

There is nothing like the oneness I have in store.

You haven't lived until you live through me.

Open your heart...
Open your mind...
To me.

Here I am waiting to
Let you in
Here you stand
You Stand at the gates
Will you enter?

Or fall?

Will you fall?

Don't fall away from my grace
All I want is to hold you close
Sweet child come close to me
Don't stray from the path

Come close and let me guide your way

Oh child of mine
Sweet child of my grace
Breathe in and let me
Take your pain away."
