

I Wonder

Demarco

Hey ya, hey ya, hey ya
Ooh, hey ya, hey ya, hey ya
Ooh, hey ya, hey ya, hey ya
Ooh, hey ya, hey ya, hey ya, ooh
Sneaking me in and out, everyday, any place, getting it on, on, on
Sometimes we're even bold enough to do it in your own home, yeah
Now what the hell am I thinkin' 'bout, I know damn well what goes around
Comes around then I turn around, we're on the ground
Tell me what am I supposed to do when you start?
I wonder if he knows and suspects that I, I've got you on me baby
I wonder if he knows that we get a little freaky
I wonder if he knows that you spent last night, strokin' me right here
Oh so careful we must be baby
I know I tried to let you go but my mind keeps tellin' me no, no, no
But I don't wanna let you go even though you're not mine
But some of the time and that's yeah and baby
That's enough for me, I know
I wonder if he knows and suspects that I, I've got you on me
I wonder if he knows that we get a little freaky
I wonder if he knows that you spent last night, strokin' me right here
Oh so careful we must be baby
Hey ya, hey ya hey ya
Ooh, hey ya, ooh, hey ya
Ooh, hey ya
See wonder does he know baby, what am I supposed to do?
When he comes around and asks about you?
Innocently push a little shit
I wonder if he knows and suspects that I, I've got you on me
I wonder if he knows that we get a little freaky
I wonder if he knows that you spent last night, strokin' me right here
Oh so careful we must be baby
I wonder if he knows and suspects that I, I've got you on me
I wonder if he knows that we get a little freaky
I wonder if he knows that you spent last night, strokin' me right here
Oh so careful we must be baby
I wonder, I wonder, I wonder, I wonder, I wonder, ooh
Hey ya, hey ya, hey ya
Ooh, hey ya, hey ya, hey ya
