

Matando Gueros (Brujeria)

Avulsed

Gabachos nos usan pa limpiar sus culos
Nos tratan como mierda de puerco
Tengan huevos y sean hombres
Un pinche viaje al norte Siglos pasan y nuestra raza se jode
Cabrones gabachos, nos dan verga y miada
Forzados a la pobreza,
Somos pinches mayates
Tu venganza sera tu destino oscuro Matando Gueros -!! Viva la raza!!
Matando Gueros -!! Estilo Pancho Villa!!
Matando Gueros -!! Satanas de cuida!!
Matando Gueros -!! Matando Gueros!! Machete en mano y sangre india caliente
Fuerza satanica, buscando venganza
Al norte nos vamos a ponernos a mano
Matando Gueros -!! Viva la raza!!
Matando Gueros -!! Estilo Ricky Ramirez!!
Matando Gueros -!! Satanas de cuida!!
Matando Gueros -!! Matando Gueros!! Americans use us for wiping their asses
They treat us like pig shit
Have balls and be men
A... trip north Centuries pass and our race is fucked up
American bastards, they give us dick and...
Forced into poverty, We are...
Your vengance will be your dark destiny Killing white boys - Long live the race!!!
Killing white boys - Like Pancho Villa!!!
Killing white boys - Satan takes care of you
Killing white boys - Killing white boys!!!
Machete in hand and hot native blood
Satanic force, looking for vengance
In the north we will take over Killing white boys - Long live the race!!!
Killing white boys - Like Ricky Ramirez!!!
Killing white boys - Satan takes care of you
Killing white boys - Killing white boys!!!
